I (We) understand that under the Wyoming Recreation Safety Act (W-S-1-1-121), any individual who rides a horse in this state does so at his or her own risk and that the individual rider is liable for any damages, including death, which might occur on, or arising from, the ride.

In consideration for the privilege of riding with the Teton County Back Country Horsemen (TCBH) on any of its sponsored trail rides, I (We) hereby release and immunize from any liability for damages to me, to my children, to my guests, or to our horses, which might attach as a result of, or in connection with, rides both TCBH\* and the landowners (including the United States Government) through whose property we may be riding.

As a member of the TCBH\*, I (We) explicitly acknowledge that this Release is effective during the entire duration of my membership as well as on any rides I might take with the TCBH\* once my membership expires.
